### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The claimed invention is drawn to the following:

13. **(Currently amended)** A positive resist composition, comprising a resin component (A), which contains acid dissociable, dissolution inhibiting groups and exhibits increased alkali solubility under action of acid, and an acid generator component (B) that generates acid on exposure, wherein

said resin component (A) is a copolymer (A1) comprising a first structural unit (a1) derived from hydroxystyrene and a second structural unit (a2) derived from a (meth)acrylate ester having an alcoholic hydroxyl group, in which a portion of hydroxyl groups of said structural units (a1) and alcoholic hydroxyl groups of said structural units (a2) have been protected with said acid dissociable, dissolution inhibiting groups, and

said composition further comprises a ~~compound~~ component (C), which contains at least one acid dissociable, dissolution inhibiting group, and which under action of acid generated from said component (B), undergoes dissociation of said dissolution inhibiting group, generating an organic carboxylic acid.

- 2.
3. The claimed invention to the positive resist composition comprises a copolymer resin and a dissolution inhibiting component (C). None of the prior art references of record anticipate or render obvious the recited positive resist composition with the specific combination of the copolymer and the recited structural units in a formulation with component (C) which generates an organic carboxylic acid under the action of an acid generated from component (B) in the presence of an acid generating component (B).
4. Claims 24 and 25 are rejoined under In re Ochiai.
5. Accordingly, claims 13-25 are seen as allowable and passed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
